OFFICE OF PROFESSIONAL ACCOUNTABILITY

The Office of Professional Accountability reports directly to the Superintendent and is charged with the responsibility of coordinating and directing the disciplinary and inspectional processes within this Department.

INTERNAL AFFAIRS DIVISION

The Internal Affairs Division conducts and reviews internal investigations and schedules sustained investigations for disciplinary hearings. In 1982, 500 investigations were handled through this division. These investigations were either generated by the Internal Affairs Division, other divisions within the Department or the Office of Municipal Investigation. Of this total, 175 cases were sustained and disciplinary action was taken. 59 cases are pending disposition.

MANAGEMENT CONTROLS DIVISION

The Management Controls Division is charged with the responsibility of conducting Department inspections. During 1982, a total of 22 formal inspections and 600 informal inspections were conducted. This division also reviewed all nominations for Departmental awards, reviewed and monitored all newly implemented and revised regulations, and assisted in formulating test material for the Police Officer IV course.
